

## **Delay Notice 1.1.4 Status as of 8-17-00**

**Assumption: *Response to FAR 42.302 (31)***

***Performance Goal is awaiting Alerts Phase II deployment, estimate 8/30/00.***

***PAT is working on creation of the catalogs, cubes, reports.***

***Anticipate major lack of Delay Notice Coverage once able to measure.***

***Covering importance in Training. Command is 80% complete with the training.***

***Training is well received. Major question remains, “who is responsible to do Delay Notices?”***
